PATENT

Amendments to the Drawings:

The set of three replacement drawing sheets enclosed herewith in the Appendix includes changes to Figures 4, 5, and 6. These drawing sheets replace the drawing sheets containing Figures 4, 5, and 6 that were filed with the application.

Attachment: Three Replacement Drawing Sheets

REMARKS/ARGUMENTS

This is in response to the *Notice Regarding Drawings* mailed December 5, 2005. Applicant thanks Mr. Joshua Chase for the courtesy of a telephonic interview on December 12, 2005, with the undersigned and Dr. Anina Murphy, in which the *Notice Regarding Drawings* was discussed. Mr. Chase indicated that the objections to Figures 2, 3, 7, and 8 would be waived.

Applicants submit replacement drawing sheets containing Figures 4, 5, and 6. Figure 4, parts A and B, have been relabeled as Fig. 4A and Fig. 4B. Figure 5 has been amended to show the numbers of the X-axis, which were partially obscured in the original Figure 5. Figure 6, parts A and B, have been relabeled as Fig. 6A and Fig. 6B. These amendments were discussed and approved by Mr. Chase during the interview. As the amendments to the drawings merely conform the drawings to the specification as originally filed, these amendments are not new matter.

If the Office believes any additional changes are needed, please contact the undersigned at 650-462-5330.

Respectfully submitted,

Randolph Ted Apple
